Catalogue of student works by 2017/2018.
Communicative design.

*Borysenko Olga - Senior Lecturer
of the Department of Art of the Book
and Graphic Design,
Ukrainian Academy of Printing.*

Discipline communicative design is a profile-oriented discipline on the department of Graphic Design and Art of the Book. The task of the discipline is the formation of theoretical knowledge on system analysis and design of printed products and the practical ability to create sketches and computer-publishing original layouts of various printing and advertising products, as well as packaging and label and 3D objects. The publication contains samples of student work performed during the educational process of 2017-2018 under the direction of teacher Borysenko Olga Mykolaivna.

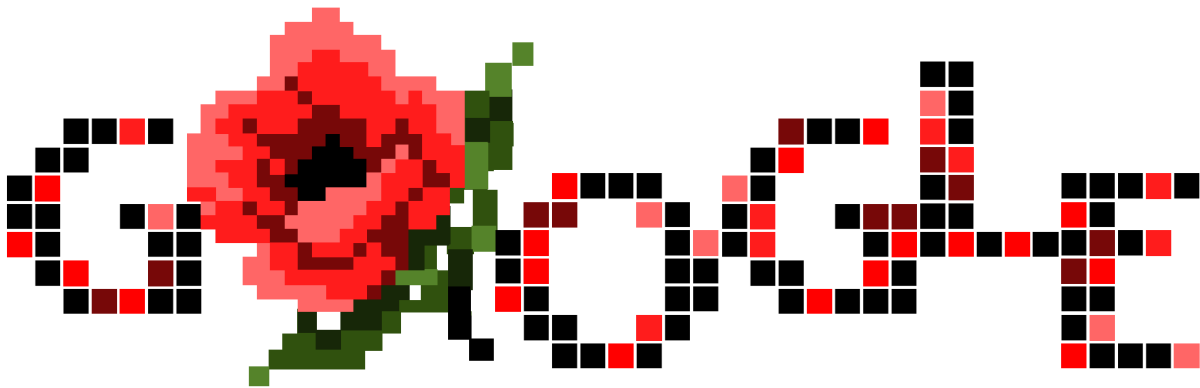

For students and teachers of higher educational institutions of the speciality
«*Communicative design*».

Development and creation of
Google-doodles, dedicated to
Ukrainian affairs.
